

We believe

- In One God who lives and operates eternally in the persons of the Father, the Son Jesus Christ and the Holy Spirit. All three were involved and present in the creation of the world.
- In the infallibility and supreme authority of the canon of scripture both the Old Testament and New. That it is the inspired written Word of God given for teaching, correcting, inspiring, and guiding us in life.
- That God created male and female in His image. Each person is an image bearer of God and has supreme worth and dignity.
- That God sent His perfect sinless son Jesus Christ, who came to earth born of the virgin Mary, fully God fully man to atone for the world.
- That sin entered the world causing separation between God and human beings, it corrupted every area of creation and is the reason for the brokenness in the world.
- That we have an adversary; Satan who scripture says is the prince of this world. We believe that we have been equipped by God to do battle in the spiritual realm.
- Sin deserves God's judgement and wrath, but instead God covers us with grace and freedom through the atoning sacrifice of Jesus Christ on the cross. Who died in our place defeated Satan and death and brought us into the possibility of relationship with God. His grace alone brings sinners into that relationship by their profession of faith in Him.
- That Jesus went back to the Father in heaven and is the first to be resurrected, we believe that He has gone to prepare a place for each person who dies believing and trusting in Him. We believe He alone is the Saviour of the world.
- In the ministry of the Holy Spirit who leads us into a place of repentance and new birth in Christ. We believe the Holy Spirit empowers us and enables us to draw close to God and equips us to live in the power of God. We believe in the gifts of the Holy Spirit as outlined in scripture and that the Holy Spirit is active in our world today.
- In the body of Christ in all its forms small or large working together as a family to bring honour and glory to God. We believe in the priesthood of believers, to worship and give God all He is worth. We believe the church is not a building or a place to go but the gathered and scattered people of God on mission together to bring the gospel to the world.
- That we should break bread as Jesus taught us on a regular basis to remember His sacrifice on the cross. We believe in baptism by full immersion for those who have publicly declared faith in Jesus Christ regardless of age. And we believe in the laying on of hands and anointing with oil for the healing of the sick.
- That Jesus will return again raising all people to judgement, bringing eternal life to the redeemed and eternal condemnation to the lost establishing a new heaven and earth
